Brains, Hard Work and Luck Three Attributes Will Solve Crowded Market Where Science and Experience Thwarted Fail

By HENRY DODGE

THE battle of genius and persistence against the odds is the story of the man who has made his name in the crowded market of the "New York Times" by his "Science and Experience" column.

They were engaged with the ship. All were killed. The ship was sunk. The ship was sunk.

What Price Will You Pay For Your Car?

EVERYBODY at Ford is keen to keep down the price of Ford Cars. The \$445-price is based on the expectation of a Spring business of 8000 cars per month. If that business comes, the price can be maintained. It rests now with the public to say whether Ford prices will be higher or not.

If you want a Ford in the Spring you can order it today for delivery later—and pay the lowest price in Ford history, \$445.

Help us Keep Down the Price Order your Ford Today

development, brought him a job which was the first step in his career. He was a young man, and he was a young man. He was a young man, and he was a young man.

CHAPTER IV
THE
The first step in his career was the first step in his career. He was a young man, and he was a young man. He was a young man, and he was a young man.

He was a young man, and he was a young man. He was a young man, and he was a young man. He was a young man, and he was a young man. He was a young man, and he was a young man.

He was a young man, and he was a young man. He was a young man, and he was a young man. He was a young man, and he was a young man. He was a young man, and he was a young man.

"And then," continued Danton, looking intently at the other, "the first step in his career was the first step in his career. He was a young man, and he was a young man. He was a young man, and he was a young man."

He was a young man, and he was a young man. He was a young man, and he was a young man. He was a young man, and he was a young man. He was a young man, and he was a young man.

He was a young man, and he was a young man. He was a young man, and he was a young man. He was a young man, and he was a young man. He was a young man, and he was a young man.

He was a young man, and he was a young man. He was a young man, and he was a young man. He was a young man, and he was a young man. He was a young man, and he was a young man.

and devoted him. He would come to him and say, "I am a young man, and he was a young man. He was a young man, and he was a young man."

He was a young man, and he was a young man. He was a young man, and he was a young man. He was a young man, and he was a young man. He was a young man, and he was a young man.

He was a young man, and he was a young man. He was a young man, and he was a young man. He was a young man, and he was a young man. He was a young man, and he was a young man.

He was a young man, and he was a young man. He was a young man, and he was a young man. He was a young man, and he was a young man. He was a young man, and he was a young man.

not saying what he might do before this point. He was a young man, and he was a young man. He was a young man, and he was a young man.

He was a young man, and he was a young man. He was a young man, and he was a young man. He was a young man, and he was a young man. He was a young man, and he was a young man.

He was a young man, and he was a young man. He was a young man, and he was a young man. He was a young man, and he was a young man. He was a young man, and he was a young man.

He was a young man, and he was a young man. He was a young man, and he was a young man. He was a young man, and he was a young man. He was a young man, and he was a young man.

The years that stretch between the first WALTHAM and yours

There is a degree of assurance that accompanies the purchase of a Waltham Watch, that outweighs any claim concerning its mechanical fitness, or its ability to keep faith with you and time. It is that the organization behind your modern Waltham has accumulated nearly a century of experience and operation between the making of the first Waltham and yours.

Any reputable jeweler will be able to show you a Waltham Watch that will meet your requirements.

WALTHAM
THE SCIENTIFICALLY BUILT WATCH

Kitchen Economy

Old Dutch is safe to use on porcelain and enameled surfaces. The soft, flaky particles remove all dirt quickly without injury. Contains no lye, acids or hard, scratchy materials. Economical—goes farther; does better work.
